.. Stoertz Lunch

JJH had lunch with Stoertz today on the Patio. The main topic of discussion was the Cuban situation. Stoertz did mention that for [redacted] there was to be the special readout provisions by IAS. That is, the mission is being diverted [redacted] being readout under the supervision of [redacted] under very secure arrangements.

Following the meeting, Stoertz called to alert JJH to the fact that the radio this noon was talking about the Soviet nuclear base at Cienfuegos.

AEM called [redacted] to alert them to the special provisions for the IAS readout [redacted]
